IMAGINATION LIBRARY OF FAYETTE COUNTY

FALL FUNDRAISER 2023

Dear Friends,

Dolly Parton continues to receive wonderful awards, and we are very fortunate that she loves the children of Tennessee and the world by promoting literacy through Imagination Library. We are beginning our 20th year of providing free books to the children of Fayette County. We have now raised over \$353,000 since Imagination Library first began in our county.

As the holiday season approaches, we are so grateful for your continued support. We also call on your kind generosity to assist this important endeavor to provide free books to our children from birth to age 5.

- ✚ \$25.00 provides free books for two children for a year.
- ✚ \$65.00 provides free books for one child from birth to age 5 (62 books).
- ✚ \$100.00 provides free books for eight children for a year.
- ✚ \$250.00 provides free books for twenty children for a year.
- ✚ \$650.00 provides free books for ten children from birth to age 5 (620 books)
- ✚ \$1,000.00 provides free books for eighty children for a year.
